

HN Students Overview

HN Students is a dedicated organization focused on promoting higher education opportunities in Taiwan for Indonesian students. We are committed to building strong academic bridges by providing structured support and legal frameworks for overseas education collaboration.

Indonesian Students

Currently, we collaborate with more than 60 high schools and vocational institutions (SMA/SMK) across various Indonesian regions, including:

- Jakarta
- Manado
- Minahasa
- Singkawang
- Pontianak
- Sambas
- Medan
- Surabaya
- Semarang
- Aceh
- and other districts and cities

Core Projects and Services

- Student recruitment coordination for partner universities in Taiwan.
- Mandarin language training for prospective students.
- Assistance with visa applications and legal documentation.
- Full administrative support including legalization and notarization.
- On-site office support and trained personnel for integrated operations.

12 years of Global Experiences

We recommended more than 300 students study overseas every year

Cooperative Advantages

✓ **Integrated Recruitment System:** We offer office infrastructure and trained human resources to ensure smoother, faster, and legally compliant recruitment processes.

✓ **Legal & Document Support:** Our team is experienced in handling all paperwork from student registration to visa submission.

✓ **Mandarin Language Preparation:** We provide preparatory classes to help students meet Mandarin proficiency requirements for studying in Taiwan.

✓ **Wider School Network:** Our collaboration with over 100 Nation & Private schools across Indonesia ensures access to a broad pool of potential students.
